Assignment: Highways-Department celebration

National Highways Department announces a scheme for four-wheeler in toll gate for 50th year celebration. If the vehicle number is divisible by both 5 and 3, that vehicle will move on for free of cost. If the vehicle number id is divisible by 5 or 3, then they should pay half of the fee. Otherwise You have to pay the full amount. Write a Pseudocode for this scenario. (Use Keywords like AND,OR wherever necessary. Use else if ladder logic)
